Sir:

AMENDMENT

Applicants now reply to the Office Action dated January 22, 2002, the period for reply having been extended for three months to July 22, 2002 by a request for extension and fee payment filed concurrently herewith. Please amend the application as follows:

IN THE CLAIMS:

Please amend claim 1, as follows:

1. A compound comprising two or more antigen binding regions linked to at least one prodrug-activating enzyme, wherein

- a) the antigen binding regions consist of a single polypeptide chain;
- b) the single polypeptide chain is comprised of a first variable domain, a second variable domain, and a polypeptide linker connecting the first variable domain and the second variable domain;
